Vacancy Prep Unit Turnover

UNIT TURNOVER TIME AND SCHEDULING

Time is of the essence for unit turnovers and by executing and submitting this document, the proposer is demonstrating their understanding of SMHA's strict timeline for the ten (10) day turnover.

In some instances, due to the nature of work to be completed, it may become necessary for the completion of work to take longer than the allotted 10 day turn around. SMHA shall have sole discretion in determining the amount of time to be extended due to these circumstances.

I verify that I understand the above stated terms and conditions for unit turnover time and scheduling.
